Rage in the Cage VI

GEARING UP FOR DESTRUCTION

2018 Registration form:

This tournament is open to any educational institution that has developed a robotic engineering program within their respective schools. This event is designed to encourage students to go beyond their normal classrooms and apply STEM concepts as their robots attempt to demonstrate their offensive and defensive capabilities in the arena.

The tournament is being held at Bloomsburg Area High School, 1200 Railroad ST, Bloomsburg, PA 17815. This tournament is open to the public so all are welcome to watch the excitement. *We will be capping the registration at 32 robot teams due to time and space constraints.*

Rules and Regulations:

We will be operating under the National Robotics League **Competition Rules** and **Technical Regulations**. These rules can be found at the following web address:

<http://gonrl.org/rules-and-regulations/>

This will be a double elimination tournament with both a **Rookie Bracket** and a **Veteran Bracket**. The *Rookie Bracket will eventually filter into the loser bracket of the Veteran Bracket* giving the Rookie robots a chance to claim a spot on the podium at the 2018 *Rage in the Cage* tournament. The official decision of which bracket your team will compete in will be determined by event personnel.
