FULL CONTACT INNOVATION...

2021 Registration form:

This tournament is open to any educational institution that has developed a robotic engineering program within their respective schools. This event is designed to encourage students to go beyond their normal classrooms and apply STEM concepts as their robots attempt to demonstrate their offensive and defensive capabilities in the arena.

The tournament is being held at Knoebels Amusement Resort, 391 Knoebels Blvd, Route 487, Elysburg, PA 17824. This tournament is open to the public so all are welcome to watch the excitement.
