

April 9th, 2022

Bloomsburg Area High School

Full Contact Innovation...

2022 Registration form:

This tournament is open to any educational institution that has developed a robotic engineering program within their respective schools. This event is designed to encourage students to go beyond their normal classrooms and apply STEM concepts as their robots attempt to demonstrate their offensive and defensive capabilities in the arena.

The tournament is being held at Bloomsburg Area High School, 1200 Railroad Street, Bloomsburg, PA 17815 This tournament is open to the public so all are welcome to watch the excitement. We will be running a **15lbs** AND a **3lbs Minibot** Tournament.

School Information:	
School Name	
Contact Person	
Street Address	
City / State / Zip Code

Coach's Cell Number	
Coach's email address	
Industry Sponsors (if any)	
Robot Name	

Registration Fee:

Postmarked prior to March 25th, 2022 registration fees will be the following:

- **15lbs Robot/Team = \$50** for the first team, **\$35** any additional robots from the same school
- **3lbs Minibots = \$25** for the first team, **\$20** any additional minibots from the same school

After March 25th, the fee will jump to \$60 per 15lbs robot and \$35 per 3lbs mini bot with no refunds given.

All checks for registration should be made out to: **Bloomsburg Area High School Engineering Club**

The above information should be filled out and mailed to:

Kirk Marshall
Bloomsburg Area High School
1200 Railroad St
Bloomsburg, PA 17815
570.441.2634 cell
kmarshall@bloomsd.k12.pa.us

Rules and Regulations:

We will be operating under the current, published National Robotics League [Competition Rules](#) and [Technical Regulations](#). The current NRL resources can be found at the following web address: <https://gonrl.org/resources/competition-rules-regulations/>

The 3lbs Rules and Regulations can be found on the www.Rage-in-the-Cage.com website. If you are not able to connect to this site or your school has it blocked, let me know and I will send you the information you will be needing.

This will be a double elimination tournament. Open to any and all educational teams.

Schedule of events:

8:00AM	Robot Check in and Pit assignments
